I'm able to open and review the Word Publisher version. I just sent Martin a note indicating that I'd like to insert my edits tonight and pass it along to whoever has the pen. Also asked if we can get the word version so that you all can review.

Hi Wendy -

I have a number of edits, but it doesn't seem like I am able to track changes in Publisher. Do you have a Word version of the document? Also, several people are unable to open this document. Any suggestions? Who is in charge of the document at the moment? I want to make sure ORC and ECEJ management weighs in before this goes out.

Thanks!

We are not distributing this fact sheet yet. We are still working on it to try and see if we will use it for tomorrow. Did we hand out anything at the public meeting held with Shaun and David? Could you also let Craig see it? We are not yet ready to coordinate with the locals.

Hi, Wendy.

Thanks for the update. Do you know if we are holding this fact sheet until we get the updated volume from the USGS?
